Summary of the Law

Copyright is legal protection of intellectual property, in whatever form, that is provided for by the laws of the United States to the owners of copyrights. According to the U.S. Copyright Office, a Copyright is a form of protection provided by the laws of the United States (Title 17, U.S. Code) to the authors of 'original works of authorship,' including literary, dramatic, musical, artistic, and certain other intellectual works. This protection is available to both published and unpublished works. The Copyright Act generally gives the owner of a copyright the exclusive right to do and to authorize others to do the following:

To reproduce the work, prepare derivative works, distribute copies, and display the work publically. The law does permit "fair use" of copyrighted material without the copyright owner's permission in certain circumstances (see *17 U.S.C. § 107*).

Some works are not protected by copyright and fall into the "public domain." For example, works created by a United States government employee within the scope of employment, or works for which copyright has expired (generally, 70 years after the life of the author). Once a work is in the public domain, it may be used without obtaining copyright permission. The Digital Millennium Copyright Act (DMCA) realizes that digital transmission of copyrighted works adds complexity to the law. This act amended the copyright law to provide regulations for works cited via the Internet. To review this act on line go to <http://lcweb.loc.gov/copyright/legislation/hr2281.pdf>.

33. **Advising:** Student support advising services are available throughout the program. If an outside resource becomes necessary, the director or instructor will refer the student to the available agency. Academic advising is completed on a regular basis. These progress reports include attendance and grade averages. Students will have the opportunity to talk individually with their advisor and discuss their academic progress.

34. **Disciplinary Procedure: Verbal Warning**

Types of offenses that will likely result in a verbal warning, depending on the nature and frequency of the offense, as well as history of past offenses (this is not an exclusive or exhaustive list):

Verbal abuse (swearing, calling staff and/or students names, using racially offensive language, talking back, making direct or indirect threats)

Disrupting class (coming in and out of class, talking in class, using cell phones, Bluetooth's, iPods (or similar devices) or PDA in class or on the performance floor, raising voice to other students or staff, or otherwise disrupting the learning environment).

Written Warning

- a. Improper conduct or failure to follow school policies and procedures, whether written or verbal, may result in suspension, dismissal or termination. Violation of school policy could result in suspension/termination.
- b. If a student violates school policies a warning notice may be written, on the student, by a staff member. A copy of the warning notice is kept in the student's academic file and a copy will be given to the student. The third warning notice issued to a student, will be an automatic suspension up to 3 days. If the student fails to return the day after their

suspension ends, that student will automatically be terminated from the program. If the student returns after their suspension, any future violation of school policies will result in immediate termination. After termination the student may write an appeals letter within 24 hours, requesting that they are allowed to return to school. Within 3 days, a meeting will be held with the director and instructors or office staff to determine if the student is allowed to return. If the student is allowed to return, the school will notify the student by writing or phone with a date to return. If a student is reinstated after termination, they will automatically be terminated with the first violation of the school rules and policies. If the student is terminated they must take care of any outstanding balance owed. Students will have no longer than 90 days to pick up their belongings/kit etc. or it will be disposed of.

35. **Harassment Policy** All employees and students have a right to an environment free of discrimination, which includes freedom from harassment - whether that discrimination or harassment is based on sex, age, race, color, ethnic origin, religion, creed, national origin, marital status, sexual orientation, or membership in other protected groups. Donna's Academy of Hair Design prohibits discrimination and harassment of its students and employees by supervisors, co-workers, students, guests, or suppliers. Such conduct may result in disciplinary action up to and including dismissal of the employee or termination of enrollment for a student. Other individuals (non-employees and non-students) found to have engaged in harassing or discriminatory behavior will be asked to leave and not return. Specifically, no supervisor shall threaten or insinuate either explicitly or implicitly that any employee or student's submission to or rejection of sexual advances will in any way influence any decision regarding that person's employment, evaluation, wages, advancement, assigned duties, or any other condition of employment, student enrollment, and academic status. Other harassing conduct in the workplace/educational facilities, whether physical or verbal, committed by supervisors or others, is also prohibited. This includes slurs, jokes, or degrading comments concerning sex, age, race, color, ethnic origin, religion, creed, national origin, marital status, sexual orientation, or membership in other protected groups; offensive sexual flirtatious advances or propositions; any abuse of a sexual nature; graphic verbal comments about an individual's body; and the display in the workplace of sexually suggestive objects or pictures. Employees and students who have complaints of harassment should report such conduct to the Director. All such complaints will be investigated. If the investigations confirm the allegations, appropriate corrective action will be taken. Donna's Academy of Hair Design cannot guarantee that all complaints will be kept confidential, but will make every effort to do so.

36. **Probationary Period for New Students** All new students will be under a twenty-one calendar day introductory probation period. During the probationary period a student will be allowed no absences, will not be tardy or will not be allowed to leave early, exceptions will be made for special circumstance, i.e. death of a relative or medical situations. In conjunction with attendance, instructors will monitor the student's attitude, level of participation, behavior and overall passion for the industry. If at the end of the probationary period the academy does not believe that the student is ready for the study of cosmetology Donna's Academy of Hair Design reserves the right to dismiss anyone during their probationary period. Please refer to the refund and cancellation policy in the student handbook to know what the student will be held accountable for.

37. **Change of Address** If a student has a name change, moves, and/or changes their phone number they must notify the admissions director immediately.

38. **Cell Phone Policy** While we understand that a student may want their cell phone with them throughout the day, we also understand that they can be a distraction to the learning process. With that being said cell phones are only allowed in classrooms and lunch rooms at appropriate times, such as break times of 9-9:15 and 2-2:15. The use of cell phones is prohibited during theory, any instructional time, on the clinic floor or anytime an instructor asks you to put it away.

You are responsible for your own education and we expect you to use your phone responsibly and always have it set to silent, as to not interfere with learning or other students. **If you need to make an important call during the day, please let an instructor know and step outside.** We understand that you may want to check your phone periodically throughout the day and while we are fine with this, we would ask that you please stand next to your mannequin head and look professional at all times.

If the cell phone interferes with the learning process you will be asked to put it away for the day. The cell phone will either need to be placed in the student's locker or in their car at this time. If you refuse we will implement our reprimand policy.

When a student refuses to put their cell phone up, they will be given a verbal warning. Upon refusal to place their cell phone in their locker or their car the student will be written up for rule number 18 and/or number 40 (refer to student handbook.)

The next time a student is caught with their cell phone out, during a time of learning, and they refuse to put the phone up, they will be clocked out and sent home for the day.

If a student is getting their cell phone taken away frequently the student will then be required to leave their cell phone in their car during the school day and will only be able to use it during break time (refer to policy # 4) or lunch time.

Cell phones are a privilege and at times can be used for a fun activity, please use them responsibly.

39. **Students must agree to abide by Donna's Academy of Hair Design's Policies and Procedures** and Missouri State Board of Cosmetology Statutes and Regulations that are in effect or may become effective, and sign the rules and regulation statement, found on page 38 of the handbook.

Leave Of Absence Policy

Donna's Academy of Hair Design has a formal written policy regarding leaves of absence requiring that all requests for leaves of absence be submitted in advance in writing, include the reason for the student's request, and include the student's signature

An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. A LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during a LOA.

A LOA must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal requiring an institution to perform a refund calculation.

- (a) Donna's Academy of Hair Design requires a student to apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to institution, the student would not have been able to request the LOA in advance.
- (b) Donna's Academy of Hair Design may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances; only if Donna's Academy of Hair Design can document the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by Donna's Academy of Hair Design to be the first date the student was unable to attend Donna's Academy of Hair Design because of the accident/unforeseen circumstance.
- (c) There must be a reasonable expectation that the student will return from the LOA. Failure to return from a leave of absence on the scheduled return date will result in immediate termination from Donna's Academy of Hair Design
- (d) Donna's Academy of Hair Design will not assess the student any additional institutional charges as a result of the LOA
- (e) The LOA together with any additional leaves of absence must not exceed a total of 180 days in any 12-month period. The Missouri State Board of Cosmetology only allows up to a six week LOA for any student wishing to take a leave regardless of the situation. Therefore, Donna's Academy of Hair Design, will only allow up to a six week LOA for any student wishing to take a LOA. (per Mo. State board regulations.)
- (f) A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.
- (g) Donna's Academy of Hair Design will extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties
- (h) Donna's Academy of Hair Design is required to take attendance, through the use of time cards, Therefore, if a student does not return to Donna's Academy of Hair Design at the expiration of an approved LOA (or a student takes an unapproved LOA), the student's withdrawal date, for the purpose of calculating a refund is always student's last day of attendance.
- (i) Scheduled hours will not be accumulated
- (j) The leave will not affect the student's satisfactory progress status and will return to school with the same academic and attendance status held prior to the leave.
- (k) The student will be informed as to when he or she is scheduled to resume training
 - i. A student who wishes to extend or shorten the scheduled leave of absence must contact the student advisor at least two business days prior to the originally scheduled return date or desired new return date.
 - ii. If a reduction or an extension of the leave of absence is approved, the student will be required to complete a new Leave of Absence Request that includes the new scheduled leave return date. Additional medical certification will be required to reduce or extend a medical leave.

A student taking a leave of absence will be responsible for completing any missed assignments/chapters and will be required to take any missed exams within 30 days of returning to school.

The student must follow Donna's Academy of Hair Design's policy in requesting the LOA and receive the approval for their request for a LOA in-accordance with Donna's Academy of Hair Design's policy.

Medical Certification: Donna's Academy of Hair Design requires valid and legitimate medical certification from the student's health care provider to support a medical leave request or approved absences. The certification must include a start and end date for the leave/absence. Such certification must be provided to the office manager before the leave or the day after an absence for approval. If adequate medical certification is not provided, the absence will not be approved. Donna's Academy of Hair Design reserves the right to contact a student's medical provider to assure that the medical documentation provided by the student is legitimate.

Maternity Leave

Termination for re-enrollment

Bed-rest only

The Missouri State Board of Cosmetology only allows a six week leave of absence for any student wishing to take a leave regardless of the situation. If a situation arises that the student must be on bed rest to maintain a pregnancy and they need to take longer than a six week leave, they must be terminated. If the student wishes to continue their course of study they will have to re-enroll. Donna's Academy of Hair Design has adopted a policy regarding a Maternity Leave.

8. If the student is not able to perform all activities of the program or is unable to return to class within 6 months and is terminated for longer than a 6 month period, this Policy will not apply. The student will only receive credit for up to 200 hours and must pay all tuition and extra fees that will apply to enrollment. All tuition fees will be pro-rated according to the amount of hours previously earned at Donna's Academy of Hair Design. The student will also be subject to any additional charges as stated on their contract.

Leave of Absence due to Military Obligations

If a service member of the Armed Forces is called to active duty during a student's term, the student must provide proof of active duty orders to the admissions office. Donna's Academy of Hair Design will:

1. Terminate the student and refund any tuition that might be due based on the scheduled hour's payments, for the program, to the proper source.
2. Upon return and re-enrollment the student will receive full credit for any hours previously acquired at the Donna's Academy of Hair Design.
3. The student will be responsible for any additional fees incurred from the re-enrollment such as any outstanding balance due, State Board application fees and the enrollment and application fees.
4. No additional tuition cost will be added because of their re-enrollment, provided all the criteria stated has been met. If the student goes over the new contract date, on their enrollment agreement, they will be charged overage fees, as stated in their contract and in the handbook policy # 11.
5. If a student is gone longer than 6 months and wishes to return; a written and practical exam will be administered to determine student retention. Hours of credit will be based on the percentage of both test scores. Example a 60% test score will result in 60% of previous hours.

Emergency Exits, Evacuations, Severe Weather, and Fire Drills – For Emergencies Dial 911

In the case of an emergency the owner, director, or head instructor on duty will notify students and/or clients of the procedure to follow, whether that be to stay where we are or evacuate the building.

- In the event of severe weather emergencies, no one is allowed to leave the building. Everyone must remain in the building until the weather emergency has past. Stay calm and do not remain in the Clinic area. All guests and students should seek shelter in an area without windows such as: Classrooms, Dispensary, Restrooms
- **Should severe weather cause an evacuation such as a tornado warning we shall proceed to the Montessori daycare below us.**
- In the event it becomes necessary to evacuate the building, everyone should proceed in an orderly fashion to the nearest exit. Evacuation plans are posted in several areas throughout the school. Emergency exits are clearly marked. All exit doors remain unlocked during school hours.
- Donna's Academy of Hair Design conducts fire drills on a periodic basis. Please follow all instructions during fire drills.

Anyone who notes danger signals in either a student or employee should contact the Director or Admissions office. The cost of assistance will be the responsibility of the student or employee. If a student or employee is referred to counseling or a substance abuse center, continued enrollment or employment is contingent upon attendance and successful completion of necessary treatment or counseling. Students or employees who believe they have a substance abuse problem may find sources of treatment by referring to "Drug Abuse & Addiction Information & Treatment Centers" in your local telephone book, internet or student handbook.

Any student or employee must notify the Director, in writing, within (5) business days of being convicted of any criminal drug offense. Disciplinary action will occur within (30) business days of receipt of the written notification

and may result anywhere from a letter of admonishment to termination from enrollment or employment.

If there is a reasonable suspicion that a student or employee of Donna's Academy of Hair Design is under the influence of alcohol or a controlled substance while on school premises, then the student or employee will be asked to leave for the day and will be subject to suspension and/or termination. We reserve the right to search personal belongings and/or person in the event of such suspicion.

Any student wishing to re-enroll after being terminated because of drugs or alcohol abuse will have to wait 6 months before being eligible to re-enroll (refer to re-enrollment policy page 33). They must be clean from all drugs and provide written proof from a doctor/drug counselor. Students who are accepted back into the program will pick up where they left off with their academics but may not be eligible to receive credit for the total amount of hours they had previously. If a student is gone longer than 6 months and wishes to return a written and practical exam will be administered to determine student retention. Hours of credit will be based on the percentage of both test scores. Example a 60% test score will result in 60% of previous hours.
